

## EUPHORIA

Written by Robin Remaily, made famous by the Holy Modal Rounders

**G**

Well Ma's out there, twitchin' in the kitchen

**E7**

Dad's in the living room, fussin' and a-bitchin'

**A7**

**D7**

**G**

I'm out here, kicking the gong for... Euphoria!

*Chorus:*

**E7**

Euphoria - When your mind starts reelin' and a-rockin';

**A7**

Your inside voice starts squealing and squawking

**D7**

**G**

Floatin' around on a belladonna cloud, singin'... Euphoria!

There's a man in the corner sittin' underneath the table

Sad, makin' faces at a union label

Grittin' his ears and he rolled his eyes and hollerin'...

Euphoria!

*Chorus*

Patted Eve on the bottom, patted Adam on the back

Smiled at the serpent and the serpent smiled back

Took a bite of the apple, two bites gone, hollerin'...

Euphoria!

*Chorus*
